Warranty Exclusions

The Johnsonite Limited Warranty does not apply to:

- The exact matching of shade, color or mottling
- Any promise made by any salesperson or representative, unless such promise is express and made in a written form
- Tears, burns, cuts or damage due to improper installation or use or improper cleaning agents and maintenance methods
- Labor costs outside of prorated schedule defined in the warranty
- Sales of non-first quality materials, i.e., "seconds," "off goods" or other irregular flooring. Such non-first quality materials are sold "as is."
- Issues associated with the use of adhesives other than those recommended by Johnsonite
- Issues caused by moisture or alkali in the subfloor. Pre-installation moisture and alkali testing is required and must be made available to Johnsonite upon request.
- Subfloor contamination or markings that bleed through the flooring material causing discoloration or staining
- Problems caused by installation, uses and maintenance that are contrary to Johnsonite's specifications, recommendations or instructions
- Material installed with obvious defects not notified to Johnsonite prior to installation
- Exterior installations – Johnsonite products are designed for interior applications only
- Fading and/or discoloration resulting from heavy sunlight penetration and ultraviolet ray exposure from direct or glass-filtered sunlight
- Damage to flooring products caused by high or spiked heels, improper protectors/casters or furniture rests. Some rolling-type casters on furniture or appliances may damage resilient flooring. Warranty as to the suitability of the factory-installed casters rests with the furniture or appliance manufacturers. Casters must be suitable for use on resilient flooring to avoid warranty exclusions.
- Damage to flooring products from pallet jack and tow-motor traffic
- Premature wear or deterioration from spikes and skate blade exposure
- Variations in color or embossing between products, photography or printed color illustrations
- Installation of Johnsonite flooring in work or commercial areas exposed to oil and grease, such as commercial kitchens or butcher shops. Defiant Oil and Grease-Resistant Rubber tiles are recommended in such situations.
- Additional expense associated with overtime, replacing or moving appliances or furniture, business interruptions, loss of use or other related costs associated with the replacement of the flooring
